TRANSLATION OF IGFM REPLY TO KEMPER

IGFM (Internationale Gesellschaft für Menschenrechte)
German Section, Inc
International Society for Human Rights [in German, English, French, Spanish, Russian]
Frankfurt on Main, October 30, 1996

Dear Mr. Kemper

During its last meeting, the steering committee discussed whether it should support the
"Appeal of 300" and whether it should support the persons named in the appeal.
The committee does indeed identify strongly with the appeal.
Nevertheless it has decided not to officially support the persons affected by these
restrictions.
The committee advises you to seek legal recourse and appeal to the European Court for
Human Rights.

Sincerely Yours

Karl Hafen
Executive President
