Petition for Indexing

Distinguished Ladies and Gentlemen:

We hereby request that you place the following Internet pages on the list of prohibited literature:

Title: 1. "Vrij Historisch Onderzoek" (Free Historical Research),
<http://www.vho.org>

Hosted by: 1. "Frij Historisch Onderzoek" (Free Historical Research), B-2600
Bochem 2, Belgium
2. Free Historical Research, Anthony Hancock, 20 Bello Brook,
Industrial Estate Uckfield, East Sussex, Great Britain, TN22 1QL,
GB.

We request that you do so for the following reasons:

The Internet offerings of this commercial provider include a large number of pages which are available to everyone at no cost and without age restrictions or monitoring.

Its content openly glorifies Nazism and attempts to render it innocuous.

In our opinion this Internet site offers material which is socially disorienting, for children and youthful readers.
It is clearly threatening to youth and it should therefore be placed on the index of prohibited materials as quickly as possible.

Yours truly,

(Signature)
Vandreiike, Mayor
